16-06-21

PRACE 4IP WP5

- Swedish participation
 - Andreas Johansson, NSC
 - Gert Svensson, PDC
- Only active in tasks 5.1 (market watch) and 5.2 (energy-efficient infrastructure), not 5.3 (prototyping)

WP5 Activities

- Market analysis
 - D5.1 delivered with very positive review
 - This is a tour de force on the state of HPC. Gartner would charge 100,000 Euro for such a comprehensive document.*
 - D5.2 will update D5.1 in 2017

WP5 Activities

- White papers
 - Cooling
 - Data Centre Infrastructure Monitoring
 - More white papers proposed for Y2

WP5 Activities

- Infrastructure workshop
 - The meeting itself is good for networking, rare to find so many facility managers at once
 - D5.3 (2015) and D5.4 (2016, in progress) reporting on the meeting
 - Gert part of organisation committee
